

CareZone AOD Release notes – 20210714

Bug fix - Telephone contact mode not saving on AOD Comprehensive Assessment

Contact mode

☐ Face to face

☒ Telephone

Closing of referrals – functional change

1. Bridging Support, Brief Intervention and Intake referrals will be automatically closed when the Yes radio option is selected on the AOD Visit Detail form:

AOD Session Information and Visit Notes

Eleven, Ellen DOB 9/08/1976 (47 years) UR# UR97895 ID 8730 (F)

Visit Date: 2/07

Contact duration (mins)	10
Contact mode	Phone
No. of facilitators present	2
Is this episode now complete?	<input checked="" type="radio"/> Yes <input type="radio"/> No

Selecting Yes will close the referral for this visit

2. Assessment referrals will be automatically closed when the Yes radio button is selected on the Comprehensive Assessment form:

Is assessment complete? **

☒ Yes ☐ No

3. Counselling, CRC and NRW referrals will be automatically closed when the AOD Discharge form has been completed:

Alcohol and Other Drug Discharge

Eleven, Ellen DOB 9/08/1976 (47 years) UR# UR97895 ID 8730 (F)

Visit Date: 22/12/2016 (Mrs Jane Drund)

About this discharge	
Has the client achieved any significant goals?	<input type="radio"/> Yes <input type="radio"/> No <input type="radio"/> Unknown (for historical purposes only)
Is the client being discharged prior to treatment completion?	<input type="radio"/> Yes <input type="radio"/> No

Closed referrals will no longer be visible in the list of referrals when creating a **new** client appointment, waitlist or visit record (as pictured below). Closed referrals will still be visible where the appointment, waitlist or visit have previously been saved with that referral.

New Visit

Eleven, Ellen DOB 9/08/1976 (47 years) UR# UR97895 ID 8730 (F)

DTAU report modifications

- New filter labels have been applied to clarify the data being selected
- An additional filter has been added to select by Event status
- New columns have been added to assist correlation with VADC reporting, including: Service Event ID, Agency ID, Event Type ID, Event Status and Clinician ID.

New filter labels

New filter

Event End From Date: 28/09/2020 | Event End To Date: 28/06/2024 | Agency: All | Clinician: All | Event Type: All | Event Status: All

Service Event ID	Agency	Agency ID	Event Type ID	Event Type	Event Status	ClinicianID	Clinician	EpiID	Last Visit Date	Diagnosis
118	Monash Health	060420214	52	Treatment - Counselling	Open	14657	Ashleigh Dever	139542	22/11/2023	

New columns

The diagram illustrates the DTAU Report interface. It features a header section with filter controls and a data table below. Annotations with arrows point to specific elements: 'New filter labels' points to the date and agency filters; 'New filter' points to the 'Event Status' dropdown; 'New columns' points to the 'Service Event ID', 'Agency ID', 'Event Type ID', 'Event Status', and 'ClinicianID' columns in the table.
